To Whom It May Concern:

As instructed by Revenue Agent Grant Herring (ID# 31-03110), we sent a letter, copy enclosed, to stand as "reasonable cause for late filing" of form 8872 for the 527 organization Thanksgiving 2004 Committee (EIN 20-1789646). As an additional step, we are sending a complete copy of form 8872 even though our contributions exceeded the \$50,000 limit of filing by mail.

If you have any questions or concerns, please call 865-688-3608, fax to 865-687-1774, or email to tjd@accelerationagency.com. We do plan to file this form electronically as soon as the login and password is received. We trust you will accept this in good faith as evidence of our intentions to fully comply with the law.
